

(Curriculum Vitae)

Date on : OCT 14 2023

Personal data:

Last Name: Mansouri . First Name: Mahboubeh

University education:

1. Tehran University of Medical Education 2003-2006

Certification: Sub-specialist Clinical Allergist & Immunologist

Thesis title: “M. Mansouri, “*Oral desensitization in children with IgE -mediated cow's milk allergy ant*”, 2005

2. Tehran University of Medical sciences 1997-2000

Certification: specialist :

Thesis title: “Evaluating of wheat allergy clinical symptoms and cross sensitivity with the other cereal in allergic children”. 2010

3. Ferdosi Mashhad University of Medical sciences 1985-1991

Certification: Medical Doctor

Thesis title: “Prevalence of hepatitis B in patients with cirrhotic during 1990”

Degree: Associate Professor. Shahid Beheshti University of Medical sciences

Command of Languages: English: proficient (writing and speaking), French: intermediate (speaking), German intermediate (speaking and writing), Farsi : native

Work Address:

Mofid Children Hospital, Shariati Ave , Tehran , Iran **Phone:** : (+98)(21)(22227033)

1th floor, Allergy & Immunology Clinic Deputy, Shahid Araghi cross, Seyed Khandan Ave., Tehran, IRAN.

Phone:

+98-21-26301420 & 26301421

Fax: (+98)(21)(22510609)

E-mail: mbmans65@gmail.com

m.mansouri@sbmu.ac.ir.....

Profession:

Physician & Full academic member. Associate Prof. Shahid Beheshti University of Medical sciences

Work Experience:

1. Child Specialist Doctor 2001-2003, Shahid Fahmideh hospital. Tehran
2. Assistant sub-specialist Doctor 2003- 2006, child medical center hospital. Tehran
3. Assistant Professor 2007- 2012 Mofid children's hospital. Tehran
4. Children Mentor (responsible for training the children's interns). Tehran
5. Children Senior Mentor

(Curriculum Vitae)

6. Allergist & Immunology & Asthma Doctor, Khorshid Allergy & Immunology Clinic

Articles in prestigious international and domestic journals (foreign language):

15. Mansouri .M, Pourpak Zahra. “Evaluation of allergy to wheat in patients with immediate reactions to ingestion of wheat 2003-2004”

Participation in research projects:

1- Investigating of the distribution of stimulation index of Lymphocyte cells in patients with primary immunodeficiency referred to Mofid Children Hospital in 2012

2- Investigation of the prevalence and type of food allergy in patients with Inflammatory bowel disease referred to Mofid Children Hospital.

3- Investigation of serum levels of interleukin 10 in patients with EGID and GERD compared with control group

4- Investigation of serum levels of TGF beta in patients with EGID and GERD compared with control group

5- Determination of IgE reactivity in Iranian population by microarray method

6- Investigation of the prevalence of allergic diseases (food allergy, Drug allergy, asthma, allergic rhinitis, eczema) in patients with primary immunodeficiency visiting immunology and allergy clinic of Masih Daneshvari Hospital

7- Investigating the effectiveness of hypoallergenic diet in preventing recurrence of nephrotic syndrome in children

8- Investigating the effectiveness of a particular diet in treatment persistent microscopic hematuria.

9- Allergy evaluation and treatment intervention registration system children of Iran

10- Evaluation of the presence of eosinophil granules based on MBP and CCR3 markers in esophageal tissue in patient suspected to eosinophilic esophagitis

11- Evaluation of the presence of eosinophil granules based on MBP and CCR3 markers in colon biopsy samples in patient suspected to eosinophilic colitis

(Curriculum Vitae)

Supervision of the thesis:

1. 1- Mansouri M, Fallah Sh. Assessment of treatment pattern and their responses in patients with chronic urticaria referred to Khorshid clinic from **2012 to 2022**
2. 1- Mansouri M, Eskandarzadeh sh. Determination of the frequency of Eosinophilic gastrointestinal disease (EGID) in children undergoing
3. Gastrointestinal surgery in 2017 and 2018 in Mofid Children Hospital.
“Integration of prick-tests and patch tests results to accurately identify common food allergens in patients with common gastrointestinal symptoms referred to the immunology and allergy clinic of Mofid Children Hospital between 2017-2018”
4. The relationship between food allergy and idiopathic refractory seizures in children referred to allergy and immunology clinic of Mofid Children hospital during the years 2016-2018
5. Prevalence of aeroallergens sensitivity in patients referred to allergy clinic of Mofid Children hospital during years 2010-2016
6. Investigation of the prevalence of food allergies in allergic patients referred to the Asthma and Allergy Clinic of Children's Hospital between 2010 and 2016
7. Evaluation of the relationship between chronic renal diseases and allergic reactions in patients visiting allergy and immunology clinic of Mofid Children hospital during the years 2013-2015
8. Prevalence of allergic diseases in children with cancer referred to hematology clinic of Shohada Tajrish hospital between 2011-2015
9. Prevalence of food allergies in allergic patients visiting the allergy and immunology clinic of Mofid Children hospital during the years 2011-2017
10. Comparison of vitamin D levels in allergic and non-allergic children referred to allergy and immunology clinic of Mofid Children hospital in 2014
11. Evaluation of the association between asthma and food allergy in children referred to allergy and immunology clinic of Mofid Children hospital during the year 2014.
12. Frequency of sensitivity to indoor and outdoor aeroallergens in patients with asthma and nasal allergies referred to allergy and immunology clinic of Mofid Children hospital during the years 2011-2012
13. Evaluation the efficiency Atopic Patch Test in the diagnosis of food allergy in children with atopic dermatitis ages 12-6 months, referred to immunology and allergy clinic of Mofid Children's Hospital ,Shahid Beheshti University of Medical Sciences.
14. Prevalence of eosinophilic gastrointestinal disease (EGID) in children undergoing gastrointestinal surgery in 1396 and 1397 in Mofid children Hospital
15. Frequency of sensitivity to airborne environmental allergens in skin testing in patients with chronic urticaria

(Curriculum Vitae)

Attending

seminars,

conferences:

1. Participate in bimonthly conference vaccination immunodeficiency diseases Asthma and Allergy Association Iran 2010.
2. The program of allergic disorders in children., Shahid Beheshti University of Medical Sciences 2010
3. Participating in the workshop critically evaluate research studies related to the treatment, Shahid Beheshti University of Medical Sciences., 2010.
 4. Participating in the workshop to assess children with recurrent infections., Pediatric Infectious Research Center 2010 and 2011.
 5. Participating in the banquet thinking, Beheshti University of Medical Sciences , 2011, 32 hours.

Speaking in medical education:

1. JRA's lectures on neuroscience and vasculitis syndrome, a group of neurological disorders in children. University of Medical Sciences, Tehran 2005.
2. Provides bi-monthly in the conference program of vaccination in patients with immunodeficiency., Asthma and Allergy Association., 2010.
3. Speaking of allergic disorders in children in the program, 2010.
4. Lectures at the workshop on program evaluation in children with recurrent infections, Pediatric Infectious Research Center, 2010, 2011.
5. Lectures in the workshop program was written and compiled allergic disorders in children, Pediatric Surgery, Medical Council., 2011
6. Lectures in the 14th international Congress of immunology and Allergy ,Tehran ,2018
6. . Lectures in 11th international Conference on primary Immunodeficiency disease ,Children's Medical Center Hospital ,2019
7. 15th Congress of Common Emergencies and Diseases of Children. Shahid Beheshti university of Medical Sciences, 2019
8. Lectures in 26TH Annual Congress of Iranian Society of Pediatric Surgeons ,Tehran, 2018
9. Lectures in 12th International Congress of Immunology and Allergy ,Tehran ,2014

Poster presentation at the Congress and Conference:

1. Eaaci congress :the European Academy of Allergy and clinical immunology ,Lisbon, 2019
2. Eaaci congress :the European Academy of Allergy and clinical immunology ,Vienna ,2016
2. International Congress of Pediatrics., Tehran University of Medical Sciences, 2010.
3. Thirteenth International Congress of Pediatrics, Tehran University of Medical Sciences, 2011.
4. Sixteenth International Conference of Pediatrics, Tehran University of Medical Sciences, 2012.
5. Sixteenth I International Congress of Pediatric, Tehran University of Medical Sciences, 2004.
6. International Congress immunodeficiency diseases, Tehran University of Medical Sciences, 2004.
7. Seventeenth International Congress of Pediatrics, Tehran University of Medical Sciences, 2004.
9. The second Conference of asthma, Tehran University of Medical Sciences, 2005.
10. Eighteenth Congress of Immunology and Allergy, Tehran University of Medical Sciences, 2006.

(Curriculum Vitae)

Lectures in congresses and conferences

1. Thirteenth International Congress of Pediatrics, Tehran University of Medical Sciences, 2001
2. The second Conference of asthma, Tehran University of Medical Sciences, 2005
3. Seminar Retraining of Asthma, Allergy and Immunology, Yazd University of Medical Sciences, 2005.
4. Hshmyrn Congress of Immunology and Allergy, Tehran University of Medical Sciences, 2006
5. Scientific Conference on World Asthma Day, Tehran University of Medical Sciences, 2006
6. Fresh from immunodeficiency diseases, Iran University of Medical Sciences, 2007.
7. Sixth Biennial Congress of Immunology, Asthma and Allergy, Tehran University of Medical Sciences, 2007.
8. Conference of bone marrow transplant, Shahid Beheshti University of Medical Sciences, 2008.
9. Congress of emergencies and diseases of children, Shahid Beheshti University of Medical Sciences, 2008.
10. Asthma One-day conference, Tehran University of Medical Sciences, 2008.
11. Twentieth International Congress of Pediatrics, Shahid Beheshti University of Medical Sciences, 2009.
12. A two-day seminar allergic rhinitis and asthma in children, Shahid Beheshti University of Medical Sciences, 2009.
13. Congress emergencies and diseases of children, Tehran University of Medical Sciences, 2009.
14. Conference of asthma and allergic rhinitis, one or two diseases, Tehran University of Medical Sciences, 2009
15. One-day conference New drug reaction, Shahid Beheshti University of Medical Sciences, 2009.
16. Sixth Congress emergencies and diseases of children, Shahid Beheshti University of Medical Sciences, 2010
17. International Congress of Iran Asthma, Allergy and Immunology Mashhad University of Medical Sciences, 2010.
18. Eighth Biennial Congress of Asthma and Allergy Association Shiraz University of Medical Sciences, 2011.

Participation in seminars, congresses and conferences:

1. Seminar of asthma, Tehran University of Medical Sciences, 2001.
2. The new annual conference of Pediatrics, Political and International Studies Office of the State Department, 2002.
3. The Sixth Congress of Immunology and Allergy, University of Medical Sciences, 2002.
4. 14th International Congress of Pediatrics, Tehran University of Medical Sciences, 2002.
5. Congress of Pediatrics, Tehran University of Medical Sciences, 2003.
6. News of Pediatrics annual conference, the State Department's Bureau of Political and International Studies, 2003.
7. New Pediatrics annual conference, the State Department's Bureau of Political and International Studies, 2004.
8. 16th International Conference on Diseases of Children Tehran University of Medical Sciences, 2004.
9. First International Congress on Immune Deficiency Diseases, University of Medical Sciences, Tehran, 2004.
10. 17th International Congress of Pediatrics, Tehran University of Medical Sciences, 2005.

(Curriculum Vitae)

11. The third seminar Retraining of Asthma, Allergy and Immunology, University of Medical Sciences Yazd, 2005.
12. Scientific Conference on World Asthma Day, Tehran University of Medical Sciences, 2006.
13. 8th Congress of Immunology and Allergy, University of Medical Sciences, Tehran, 2006.
14. Asthma and Allergy Association scientific bimonthly conference (flu-vaccine flu), Research Center for Immunology, Asthma and Allergy, 2006.
15. Asthma and Allergy Association scientific bimonthly conference (Sports, Asthma and Allergy) Research Center of Immunology, Asthma and Allergy, 2006.
16. Asthma and Allergy Association scientific bimonthly conference (fresh from immunodeficiency diseases), Research Center for Immunology, Asthma and Allergy, 2006.
17. 6th Congress of Allergy and Immunology, University of Medical Sciences, 2006.
18. 8th Biennial Congress of Immunology, Asthma and Allergy, University of Medical Sciences, 2007.
19. The use of a bone marrow transplant conference, Tehran University of Medical Sciences, 2007.
20. Science Conference on World Asthma Day, Homa Hotel, 2008.
21. 16th scientific conference on stem cells and its application, Mofid Children's Hospital , 2008.
22. The one-day conference asthma, Tajrish Shohada Hospital, 2008.
23. The Asthma and Allergy Association bimonthly scientific conference (treatment of nasal polyps in Allergy) Research Center of Immunology, asthma and allergies, 2008.
24. Congress emergencies and diseases of children, Shahid Beheshti University of Medical Sciences, 2008.
25. 24th International Congress of Pediatrics, Tehran University of Medical Sciences, 2012.
26. Congress of Pediatrics, Tehran University of Medical Sciences, 2012.
27. The new program of cooperation with the International Organization for allergies Allergy, Asthma Society of Iranian, 2011.
28. The Congress program emergencies and diseases of children, Shahid Beheshti University of Medical Sciences, 2011.
29. Biennial Congress of Asthma and Allergy Branch, Fars, Shiraz University of Medical Sciences, 2011.
30. Congress of Iran Immunology and allergy. Iranian Society of Asthma and allergy, 2011.
31. Congress of emergencies and diseases of children, Shahid Beheshti University of Medical Sciences, 2010.
32. International Congress of Iran Asthma, Allergy and Immunology, Mashhad University of Medical Sciences,

(Curriculum Vitae)

2010.

33. The one-day conference of New drug reaction skin, Shahid Beheshti University of Medical Sciences, 2009.
34. Congress of emergencies and diseases of children, Shahid Beheshti University of Medical Sciences, 2009.
35. The two-day seminar of allergic rhinitis and asthma in children, Shahid Beheshti University of Medical Sciences, 2009.
36. The third Conference of asthma, Tehran University of Medical Sciences, 2009.
37. The Conference of asthma and allergic rhinitis, one or two diseases, Tehran University of Medical Sciences, 2009.
38. Asthma and Allergy Association scientific bimonthly conference (challenges in skin tests), Society of Asthma and Allergy, 2009.

Educational awards:

1. The faculty of the Year 2012, scientific secretary, university.
2. Appreciation Conference "otitis, rhinitis, sinusitis" scientific secretary, university.
3. Appreciation cooperation in setting up Torab training centers, health care management, scientific secretary, university.
4. Commended for producing educational content enabling family doctors.
5. Appreciation for World Asthma Day, the Executive Secretary.
6. Honored to hold the fourth congress of pediatric emergency, academic.
7. Appreciation for the active participation in international conferences of Allergy Asthma, Immunology, University.
8. Educational workshops in the diagnosis and treatment of asthma.
9. Asthma and Allergy education programs for families.

Workshops and short-term training courses and research:

1. Intensive course in French., the French Institute-Alliance., France - Toulouse. 1991-1992.
2. Participate in the activities of hospital services in the skin and hair, Rangvy hospital, France - Toulouse 1995-1996
3. English language upgrading project of faculty members, Mofid Hospital
4. Flow cytometry Workshop, Cell and Molecular Sciences Research Center of Iran University of Medical Sciences, 2002.
5. Scientific Writing workshop, Allergy & Asthma Research Center, Tehran University of Medical Sciences, 2005.
6. Preliminary research methodology workshop, Shahid Beheshti University of Medical Sciences, 2007.
7. Workshop training methods, Shahid Beheshti University of Medical Sciences, 2008.
8. A workshop on Curriculum Design, Shahid Beheshti University of Medical Sciences, 2008.
9. Workshop Medical evidence-based practice, Shahid Beheshti University of Medical Sciences, 2008.
10. A workshop on the preliminary writing in English Shahid Beheshti University of Medical Sciences, 2008.
11. A workshop on how to search in medical databases, Shahid Beheshti University of Medical Sciences, 2008.
12. A workshop on advanced writing in English, Shahid Beheshti University of Medical Sciences, 2009.

(Curriculum Vitae)

13. A workshop on SPSS, Shahid Beheshti University of Medical Sciences, 2009.
14. Workshop on Endnote ,Shahid Beheshti University of Medical Sciences, 2010
15. Workshop on Extended Matching, Shahid Beheshti University of Medical Sciences, 2010
16. Workshop on Patient Management Problems ,Shahid Beheshti University of Medical Sciences, 2010
17. Workshop on Criticized evaluate of research studies related to treatment, Shahid Beheshti University of Medical Sciences, 2010
18. Workshop critically evaluate research studies related to diagnosis, Shahid Beheshti University of Medical Sciences,2013,
19. Medical journalism workshop, Shahid Beheshti University of Medical Sciences, 2012.
20. Workshop on Clinical Practice Guidelines, Shahid Beheshti University of Medical Sciences, 2012.
21. Scientific & educational workshops in the diagnosis and treatment of asthma, Second margin Conference of asthma Immunology Research Center, asthma and allergies 2005.
